- not be married or have had marital commitment in the past.
- not be admitted or have been enrolled to study for higher-secondary education in any government school or institution.

SELECTION CRITERIA

If the number of eligible applicants exceeds the available slots, a score will be calculated for each applicant, which will be used to make the selection. The score is calculated for 8 subjects (4 compulsory subjects + 4 other subjects with highest result) according to the following criteria.

Grade	A*	A	B	C
Point	15	12	9	7

The applicants with the highest score will be selected first, followed by the next highest and so on until all the available slots are filled.

CHOOSING SUBJECTS TO STUDY AT CHSE

- ❖ **DHIVEHI AND ISLAMIC STUDIES:** Dhivehi and Islamic studies are taught for the national Higher Secondary School Certificate (HSC) curriculum and it is **compulsory** for local students to attend all the classes and sit all school examinations within the two years.
- ❖ **IGCSE O'LEVEL ENGLISH:** This is compulsory for students who did not pass in O'Level English (below 'C' grade). Students will be required to sit the examination at the end of grade 11.
- ❖ **ELECTIVE SUBJECTS:** These are subjects (Table 1) that are taught for International Advanced Level curriculum of Edexcel International, UK. It is offered as combinations of **three** (Table 2) or **four** (Table 3) subjects. Prerequisite for elective subjects is an O'Level pass (A to C grade) in the subjects you wish to take.
- ❖ Science stream students can change to Arts or Commerce stream depending on the subjects they have done in O level. *Eg. A science stream student who got an A and above in OL English can opt to change to Arts stream*
